September 12, 2001

Dear PMA Members:

Thank you for your continued support of the PMA. Attached is a list of our 2001 members. We can't send you membership cards this year; we lost them in the shuffle when we temporarily lost half of our office to a County department. We hope that the renovation of the new County building will soon be completed so that it can be moved there and we can get our office back. Once we do, we are going to need volunteers to help us reorganize and to sort through our old files. I will keep you posted.

Our exhibit builder, Jay Appleton, and his gang are going to town turning the Jail back in time. Come out on Saturday, September 29 at 10 a.m. for a special members-only preview and see our new gift shop, the warden's office, and our new inmates in their bunks and chained to the floor of the dungeon! Coffee and doughnuts will be served.

You are all also invited to attend an opening ceremony on October 17 to celebrate the exhibits and our new schedule (4 days per week). The Parks Department has hired PMA member and Medford resident Mike Reilly to serve as the museum coordinator. We know that Mike, a retired social studies teacher, will do a great job. It will be our job to help him do a great job -- especially with regard to the coordinating of volunteers.

We are gearing up for our annual haunted event. David Cranmer has come up with a great theme this year - the Mount Holly Ghost Project, a take off on various horror movies. Call me at the above number if you would like to volunteer for the event, which will be held on Saturday, October 27. We need gatekeepers/money takers, guides, yard workers (juice and cookie servers, souvenir salesmen, etc.) and actors. See above for meeting and rehearsal dates.

We were open the fourth weekends of April, May, June and July, and also on Race Day. Again, even without advertising, we still drew over 100 tourists each weekend.

I am sure that all of you know by now that Paul and Melissa Musgrove have moved to California. In pure Musgrove fashion, they simply decided to take an adventure. You've got to admire their (free) spirit; it is a spirit we are going to sorely miss. I've known many energetic people, many civic-minded people and many creative people, but I have never known anyone who had all three qualities to the extent Paul had them. His departure is a great loss to Mount Holly, the PMA and many other organizations, but we of course wish him, Melissa and the kids the best of luck in their new home.

Hope to see all of you soon.

Cordially yours,

JANET L. SOZIO  
President
